NEAR-TERM IMPROVEMENTS

SUPPORTING PRIORITIES (#2 – #4)

Supporting optimizations to expand service discoverability, customer review velocity, and website clarity.

02	Accelerate Patient Review Acquisition Process	SERVICE: REVIEW GENERATION	HIGH PRIORITY
WHAT WAS FOUND & WHY IT MATTERS Monsoon Dental has a flawless 5.0-star rating across 21 reviews. However, benchmark competitor Gentle Dental maintains over 520 reviews in the Northwest Tucson corridor. <i>While 5.0-star sentiment is a major trust asset, higher monthly review volume strongly reinforces local search visibility and conversion rates.</i>		RECOMMENDED ACTION Deploy an automated post-appointment SMS review request workflow to consistently capture feedback from satisfied patients.	
03	Expand Google Business Profile Dental Service Descriptions	SERVICE: GBP OPTIMIZATION	HIGH PRIORITY
WHAT WAS FOUND & WHY IT MATTERS Your profile is claimed and verified, but lacks detailed descriptions for specialized offerings such as TMJ/TMD therapy, dental implants, and cosmetic whitening. <i>Patients searching for specific dental procedures often fail to discover profiles that omit detailed category and service listings.</i>		RECOMMENDED ACTION Add comprehensive descriptions and custom service entries for dental implants, TMJ therapy, and cosmetic dentistry to your Google profile.	
04	Implement Dentist JSON-LD Structured Schema Markup	SERVICE: WEBSITE SCHEMA FIX	MODERATE PRIORITY
WHAT WAS FOUND & WHY IT MATTERS Your website currently contains no structured Schema.org/Dentist or LocalBusiness markup detailing your office location, phone, and hours. <i>Structured data enables search engines to accurately index provider credentials, operating hours, and location data.</i>		RECOMMENDED ACTION Deploy complete Dentist JSON-LD schema markup on the monsoondental.com homepage.
